Division of Child Support Enforcement (DCSE) provides services to anyone who needs child support related help. Services include: establishing legal paternity for children born to unwed parents, establishing and/or modifying child support and/or medical support orders, enforcing child support and/or medical support orders, and collecting and processing child support payments. In order to provide these services, DCSE will also locate parents, if needed.

Volunteer Engagement Center. Would you like to spend some time helping families in need? Some of ways you can help include acting as parent aides, special friends, serving as interpreters, transporters of children or the elderly, working as a clerical assistant, working on cool projects and many other opportunities. We invite you to consider our volunteer opportunities and to share with us in the experience of serving our Arizona families.
